Social Inquiry Overview Example (Level 6)

Focus of learning/topic

The Promotion of Social Justice

Concepts

Justice Equality Citizenship

Conceptual understandings

Māori had to fight for recognition as equal citizens

Developed through

- Identify injustices
- Recognise the struggle for justice

Finding out information

 Research the story of Haane

Considering responses and decisions

What form did the fight for gaining Haane the VC take?

Reflecting and evaluating

How does this story reflect social injustices today?

1

Exploring values and perspectives

- Explain Haane's leadership
- Describe roles of individuals and groups relating to Haane's VC fight

Leading to

So what?

So what do we know about this? How are social injustices fought for today? How does the Haane haka reflect a desire to promote social justice? So what does this mean for us/others?

Now what?

So what further learning do we need? What can I do to promote social justice?

Now what might be done about it?

Further inquiry within future learning
